<https://www.indiamart.com/varunaneeravaripipes/>

Established in the year 2006, We, **Varuna Neeravari Pipes Pvt. Ltd.** are the **manufacturer** of **HDPE Pipe**. We are **service provider** of **HDPE Pipes Welding** and **HDPE Pipe Installation Services**.

## About Us

Established in the year **2006**, We, **Varuna Neeravari Pipes Pvt. Ltd.** are the **manufacturer of HDPE Pipe and HDPE Pipe Fittings**. We are **service provider of HDPE Pipes Welding and HDPE Pipe Installation Services**. We are working with a primary motto of achieving the maximum level of client satisfaction. Our company is standing out most level in providing service to the customers. We named our HDPE brand pipes throughout Karnataka. We also motivate our esteemed clients by providing good service and quality products. We have a quick and well trained people working in our service groups. The factors motivating to our customers are quality work, quick installations and Fast delivery.

The products offered by us are manufactured using 100% virgin grade HDPE components. The HDPE pipes provided by us have an average life of more than 50 years under normal working conditions. Our offered pipes are designed and manufactured with the usage of quality approved HDPE granules in adherence with international quality parameters. Unaffected by chemicals, soils and acids, the pipes provided by us have different techno-commercial advantages over the conventional piping systems. In addition to this our offered pipes have a smooth inner surface that provides a high flow factor to reduce the period that is required for supplying of fluids. With the support of **“Mr. Srinivas T.R. (Marketing & Administration)”**, we are able to...
